Asian Snacks Shopping Website

WNM608 - Yuti Lu

Statement of Intent

This project is for snack lovers because I'm one of them, and I love Asian snacks so much. I will add 12 different Asian snacks on this website, including China, Japan, and Korea products. The purpose of this project is to make it easy for users to select the snacks they are interested in a different country. This project consists of 7 parts, advertising page, product list page, single product page, shopping cart page, purchase page, confirmation page, and product administration page.
